### ***Mali Matters/Benin Blessings***

Hello all,

I do apologize for not writing sooner. God has been so good and faithful to us here; but things have been a bit hectic these last few days.

The big news from Africa for which to praise the Lord and to continue praying about is:

- Mali – IBB is beginning the new school year. Please pray for a good year and for us to continue seeing God work to meet needs for us in this ministry as well as in the lives of our students and graduates.
- Benin – Praise the Lord that the clinic is in the process of being reopened. It was temporarily closed as was a large number of other clinics. God opened the right doors for us to be able to open again soon.

For now, thank you for your prayers for my family here. This past weekend, instead of heading out to meetings in churches as scheduled, I ended up at the bedside of one of my nephews, my brother's son. God decided to take him home. He went home one day before his 33<sup>rd</sup> birthday. We buried him today. Our comfort is knowing he's with the Lord and we will one day see him again. God's promises are true. Please pray for my family, in particular his father and brother.

Your servant for Christ,

*Cindy*
