We Exalt You

*We exalt You, God Almighty,
You are worthy to be praised.
Let all nations bow before You,
Holy Ancient of all days.

We exalt You, God of Glory,
You are worthy to be praised
Let our life be, lived in honor
As we glorify your name.

We exalt You, God of Heaven
You will come back, for your own
May we wait with, hope and patience,
As we serve you every day.

*We exalt You, God Almighty,
You are worthy to be praised.
Let all nations bow before You,
Holy Ancient of all days.
