

Liberty to Live!

Galatians 5:25 – 6:5

Living & walking in the Spirit should impact and influence our relationship with others! It should cause less pride, less irritation, and less envy among fellow believers. If we are saved – born again by the Spirit, and if we are walking in the Spirit – making progress in being controlled and led by the Spirit – others should be affected in a positive, Christ-like fashion.

Gal 5:26

Our _____ should be different

Our _____ should be different

Our _____ should be different

Gal 6:1-6

We are to _____ – a brother caught in a fault

We are to _____ - _____
Who are the we? What are we to do?

We are to possess a spirit of _____

We are to take heed to _____

We are to _____ one another's burdens

We are to avoid a spirit of _____

We are to learn to bear our _____ burden – learn personal _____

We are to _____ those who teach us the Word
