

The Ultimate Test!

It's Exam Time!

Genesis 22

The just shall live by faith! Abraham has been in the “school of faith” since his call in Genesis 12. Along the way, he has had homework, quizzes, and tests. He has received instruction, correction, and challenge through circumstances, experiences, lessons, and failures. His faith grew as he learned to trust God’s promises, rely on God’s truth, and respond in genuine faith and obedience. Now, he faces his “final exam” - tested by God.
